

Agenda

EPRI Global Climate Change Research Seminar

Washington, DC

May 18 - 19, 2010

Tuesday, May 18

- 7:30 AM** Continental Breakfast
- Issues in Climate Policy*
- 8:15-9:00 AM** **Lessons in Technology Change**
Robert Fri, President Emeritus and Visiting Scholar Resources for the Future
- 9:00-9:45 AM** **International Outlook after Copenhagen**
Nigel Purvis, Visiting Scholar, Resources for the Future
- 9:45-10:15 AM** Break
- 10:15-11:00 AM** **Development and Climate Change**
Rosina Bierbaum, Dean of the School of Natural Resources and the Environment University of Michigan
- 11:00-11:45 AM** **US Policy Outlook for Energy Sector**
Jason Grumet, President Bipartisan Policy Center
- 11:45-12:30 PM** **Stabilization and Implications for Energy Sector**
Geoff Blanford Sr., Project Manager Global Climate Electric Power Research Institute EPRI
- 12:30-1:30 PM** Lunch
- Reducing Electric Sector Emissions*
- 1:30-2:15 PM** **Overcoming Barriers to Deployment of CCS**
Nick Welch, North America Representative, Global CCS Institute
- 2:15-3:00 PM** **Natural Gas Supply and Demand**
Howard Gruenspecht, Deputy Administrator Energy Information Administration
- 3:00-3:30 PM** Break
- 3:30-4:15 PM** **Renewable Energy Outlook**
Bryan Hannegan, Vice President Environment and Renewable Energy EPRI
- 4:15-5:00 PM** **Prospects for Nuclear**
Revis James, Director Energy Technology Assessment Center EPRI
- 5:15-6:30 PM** Reception

Agenda

EPRI Global Climate Change Research Seminar Washington, DC May 18 - 19, 2010

Wednesday, May 19

7:30 AM Continental Breakfast

Characterizing Uncertainty

8:30-9:15 AM **Understanding Uncertainty**

Henry Jacoby, Professor Massachusetts Institute of Technology

Issues in Geo-engineering

9:15-10:00 AM **Geo-engineering – Institutional Issues**

Ted Parson, Professor University of Michigan

10:00-10:30 AM Break

Reducing Electric Sector Emissions (continued)

10:30-11:15 AM **Energy Efficiency: Promise and Realities**

Omar Siddiqui, Program Manager Energy Efficiency EPRI

11:15-12:00 PM **Energy Policy, Climate Policy and the Electric Sector**

Vic Niemeyer, Technical Executive Global Climate EPRI

12:00-1:00 PM Lunch

Domestic and International Offsets

1:00-1:45 PM **Greenhouse Gas Emission Offsets**

Adam Diamant, Sr., Project Manager Global Climate EPRI

1:45-2:30 PM **Monitoring and Verification for REDD**

Molly Macauley, Director of Research Resources for the Future

2:30-3:00 PM **Recap and Discussion**

Richard Richels, Sr., Technical Executive Global Climate EPRI
